Joint Committee On Agency Rule Review (JCARR)
77. S. High Street
Columbus, Ohio 43215

Re: Proposed Rule Changes To OAC 4501:7

4501:7-1-06 Required Experience

- Remove 24 month period, replace with “Lifetime”

4501:7-1-11 Records

- Remove current year plus two previous years, replace with current year (365 days) prior to date of audit beginning. A one year time frame is plenty of time.
- (B) add the word “knowingly” before the word falsify.

4501:7-1-12 Uniforms, Vehicles, and publications.

- Remove (5) Private Police – see ORC 2921.51 (A-2)
- Remove (16) Agent – (we are ‘Agents’ of our clients acting in their behalf with their full authority)
- (C) Uniforms
 - Remove word left from breast pocket – (should be company discretion)
 - Remove word left from sleeve – (should be company discretion)
- (2) Remove phrase badge number – (extensive cost to businesses)
- (c) add phrase “county of security detail and the contiguous counties of that security detail”. There should be some type of Geographical limitations.
