4) Provide the number of operations reviews that your agency completed during the governor's recently expired term.

The Commission continually reviews policies and procedures that may be required to be changed due to enacted legislation, licensing systems, policy changes, and reviews rules in order to be compliant with the five-year rule review mandate.

5) List any principles of law or policies described in [R.C. 121.93\(A\)](#) that your agency identified in your operations review(s).

We identified no changes as we post all laws and rules that may impact the public and licensees. Licensing and compliance with rules is the majority of the racing commissions operations.

6) Describe your agency's considerations regarding the identified principles of law or policies under [R.C. 121.93\(B\)](#).

The Commission continually reviews policies and procedures that may be required to be changed due to enacted legislation, licensing systems, policy changes, and reviews rules in order to be compliant with the five-year rule review mandate.

7) List any principles of law or policies for which your agency determined rulemaking is indicated or for which your agency has commenced the rulemaking process under [R.C. 121.93\(C\)](#).

We have amended various rules to comply with five-year review parameters.
